Green & Wild Parties

Experience a birthday party in the wild, at the Colne Valley Park Visitor Centre!

Denham Country Park

We are open all year round and can cater for all ages with a private party garden for the party feast and the whole of Denham Country Park to play in. There is a café and shop, disabled toilet and baby change facilities on site. From summer 2016, a brand new playground will also be open for public use.

Party Format

The party lasts 2 hours which gives time for 3 activities: the duck race and 2 others of your choice from the list over the page. An extra half hour is included either side of the party for welcoming and seeing off your guests. 2 members of staff will run the activities but we ask that you keep a ratio of 1 adult to 7 children.

Rain? The Doesn't Matter to us!

We run the activities in rain or shine, and please ensure the children are suitably dressed. Suitable shelter will also be provided for poor weather, and activities can be adjusted to suit the weather.

Important Information

For all activities please bring outdoor shoes and a waterproof jacket if there is a chance of rain. Please bring a change of clothes and wellies (knee high if possible) for river dipping.
